

GUASTELLO'S VILLAGE MARKET

White Wine Spritzer

Serves 4

Ingredients

4-5 oz. chilled Chardonnay

2-3 oz. chilled ginger beer (or ginger ale if you want it a little sweeter)

juice from half a lime

garnish with fresh or candied ginger and a lime wedge

You can serve this over ice in any style glass you prefer or have on hand. If you want a little more sweetness or just a little less wine, you can change up the proportions on any of these to be 1/2 wine and 1/2 whatever mixer we use (in this case, ginger beer).

Just play around until you get your desired combination. Use your imagination pairing different fruits with the wine and club soda.
