

GUASTELLO'S VILLAGE MARKET

Prickly-Pear Margarita

Serves 2

Ingredients

10 prickly pear fruits
1 (750-ml.) bottle of silver tequila

1 tequila-infused prickly pear
4 oz. prickly pear–infused tequila
2 oz. frozen limeade
1 1/2 oz. Cointreau

For the infused tequila, peel prickly pears; put into a glass jar. Pour in tequila, seal jar, and let steep for at least 2 days.

To make margaritas, mash 1 prickly pear through a mesh strainer into a bowl; discard seeds. Combine prickly pear–infused tequila, 2 cups crushed ice, limeade, Cointreau, and the mashed prickly pear in blender; purée until slushy.
