The Chavela

Serves 1

Ingredients

Lemon wedge

Kosher salt, for rimming the glass

3 oz. tomato juice

6 dashes hot sauce, like Tabasco or Cholula

12 oz. bottle light-bodied Mexican beer, like Corona

1 ½ oz. tequila (optional)

Rub the lemon wedge around the rim of a glass; reserve the lemon wedge. Pour some sea salt out onto a plate and rub the rim of the glass in the salt to coat. Fill the glass with ice, add tomato juice, hot sauce, and beer to fill. Drop in the lemon wedge. Serve with a shot of tequila, if you like.
