

GUASTELLO'S VILLAGE MARKET

Honey Bourbon Apple Cider Cocktail

Serves 2

Ingredients

10 oz apple cider
4 oz bourbon
1 lady apple cut in thick slices
2 teaspoon organic raw honey
1/4 teaspoon cinnamon

Place cider, apple slices, honey and cinnamon in a sauce pot, bring to boil and let simmer for 5 minutes, just to release the flavors.

Strain the mixture (saving the apple slices for garnishing) and add bourbon.

Pour into serving glasses and sip warm.
